Top ranked team from each pool will advance to the Championship game. Rankings will be based upon:

1/. Total Championship points
2/. Percentage (points scored/points allowed)
3/. Points scored
4/. Goals scored
5/. Head to Head
6/. Toss of coin

Division I format: 18 players a-side with 6 interchange players (24 players max.)

Divisions II format: 18 players a-side with 6 interchange players (24 players max.)

Divisions III: 16 players a-side (Captains of each team if in agreement may choose to run a different number, which must be worked out prior to the games start time and umpires must be notified. No maximum number of players for Division 3)

_____

Reserves Divisions: 14-16 players a-side (Captains of each team must be in agreement on the number of players and the umpires must be notified. Any disagreements will be resolved by the Tournament Committee. No maximum number of players in the Reserves Division)

Women's format: TBD players a-side (Captains of each team if in agreement may choose to run a different number, which must be worked out prior to the games start time and umpires must be notified.)

All games are subject to the 50/50 rule

Games will be played in 2 x 20 minute halves with a 7-minute half time break

USAFL Executive board decisions are final and will endeavor at all times to take into account all clubs needs and wants.

*All teams must attend the team meetings to get the coach's packs and understand the **FIRM** tribunal proceedings for this year.*

If any club feels they have information about opposing clubs using ineligible players at the Nationals, the Tournament Committee must be notified BEFORE the first games played, through the appropriate channels.

2007 Nationals Draw subject to change prior to commencement of tournament…
